AquaFit Class Descriptions:

Aqua Fitness Shallow

This water exercise class tones, firms, increases flexibility and muscle strength, and gives your cardiovascular system the workout it needs.

Aqua Vitality

This class is for those with joint pain and stiffness. Exercises are designed to improve flexibility, balance, range of motion, muscle strength and endurance. Belts are provided.

Baby & Me Fitness

Get in shape and spend some quality time with your baby! Babies are utilized as weight and extra resistance in the water. Babies ages 4-24 months. Babies should be able to hold their head up on their own before participating in class.

Cardio/Core Shallow

If you like great music, running and ab work, you will love this class. Great cardio workout, plus a high energy aqua workout, targeting all the major muscles using the water's resistance.

Deep Aerobics

Deep Aerobics This class is designed to be no impact and improve cardiovascular, muscle strength, core and flexibility. Belts are provided.

Fluid Running

This class provides all of the benefits of land running without any impact or even getting your hair wet. You don't have to be a runner, swimmer, or athlete to participate. This class is held in the deep end of the program pool and aqua-jogging belts are provided for flotation.

H.I.I.T. Shallow

Get ready to power it up! This class incorporates high-intensity intervals throughout the bulk of the class and finishes with a focus on core and upper body strength work.

RiverFit

A mild, no-bounce class for stretching and toning muscles and improving cardiovascular conditioning, CORE stability and joint mobility. A great class if you have arthritis, joint limitations, replacements or are pregnant.

Set Your Own Pace

A fun shallow water aerobics class where you set your own pace within the class. Instructor will guide you through each class working the major muscle groups: toning abs, arms & legs.

SilverSneakers Splash

A fun, shallow-water exercise class that uses a signature splash-board to non-swimmers. The pool provides many benefits when used for aerobic exercise and resistance training.

Tone & Flex Deep

Deep water intervals workout mixed in with body movements to build muscle, flexibility core strength & stamina in all parts of the body. This class is a fun workout without impact on your joints. Belts provided.

Water Mat

Water mat fitness classes are yoga and/or fitness classes taught in the pool on inflatable boards. Classes include traditional yoga poses but have strength & fitness components that target core stability.
